Refer a Friend, Help a Cause

Friends of the Animal Shelter, Hancock County: Over 9 years as a Realtor, I've rescued many abandoned or starving kittens and dogs. "Friends" has been there to help with free shots, surgeries, and adoptions. Donations fulfill the constant wish lists of items they require and support vetted fosters who rehabilitate abandoned animals until they are placed in new forever homes.

Crusaders for Veterans: I met Crusaders for Veterans in 2023 and support their triple mission to: Promote Service in the US Military, Aid Struggling Veterans & Honor the Fallen. Crusaders is a 100% Volunteer organization, founded by a Vietnam Era Vet and serves distressed Veterans across the MS Gulf Coast. Learn more at crusadersforveterans.com

Worthy charities like Friends and Crusaders need donations to heal the world. With your help, we can deliver. I will donate 10% of the revenue generated from your real estate referrals to **your** pick of these two non-profits. You can help the animals or the vets, or BOTH!

By referring a friendly, experienced, Pro Realtor to your friends and family, you can support great missions. Fast, safe, and easy, like home buying and selling *should* be.

The puppies, the vets, and I are grateful for you and your help.
